Report. By 2y the June 1908 that out of a total sum of Rs 844-12-0 due on the Oram lands for 3 years, Rs 412-5-9 were recovered and after paying Govt dues, the balance viz Rs 368-10-0 was credited to the funds of the institution (it is noted in the bill that the amount at the credit of the temple is Rs 364-5-9) and that the payment of the arrears of pay to the Archak will facilitate the recovery of the balance of rent due from him. Details of the utilization of the lump sum of Rs 40/- for Nityakatle and Nitchukatle expenses are also contained in the Report. As for the repairs, he states that it requires large out-lay to put the temple into thorough repair, that considering the insufficiency of funds, only the urgent repairs may be taken on hand and suggests that in view to accumulate funds for the purpose the services of some unnecessary temple servants may be dispensed with.
